## **2013 Alden Classic Car Show**

The Twin Bay British Car Club is pleased to announce the 14th Annual Alden Classic Sports Car Show will be held on August 11th with a picnic scheduled for August 10th. This year instead of our selecting a specific car model to be honored, we have chosen the MG, which stands for Morris Garage. History recognizes the octagon marque first appeared in the November 1923 Oxford newspaper. We are celebrating 90 years of MG motor cars. All models are encouraged to attend and as always all brands are welcome.

Alden is a unique little village on the shores of Torch Lake the third most beautiful lake in the world according to National Geographical magazine. There are many pleasant shops and fun places to eat. The town is the kind of place you like to keep a secret and introduce to your special friends.

An added event this year will be "Valve Cover" racing. Similar to the Boy Scout version of "Soap Box Derby" the vehicles are constructed using valve covers. We will be posting the rules later. Our club has been challenged by the Michigan Chapter of the New England 'T' Register Club, who is also furnishing the racetrack.

We will announce pre-registration in May with show day registration 9:00am to 12:00pm. As is the past, the first 50 pre-registered cars will receive a T-Shirt.

Please remember our sponsors from the 2012 Show when planning events. We look forward to your participation in a fun day for all.

Please follow us on Facebook or at [www.twinbaybrits.com](http://www.twinbaybrits.com).
